### Counter top coolers and freezers

A plug ready range of stainless steel coolers and freezers for bottles that can be inset or surface mounted. Perfect for serving refrigerated wines, liqueurs or vodka rapidly at a fixed cold temperature. Counter top coolers & freezers are available in 4 options: with a maximum capacity of 10 to 12 bottles of 1 litre and suitable as a cooler or as a freezer. The VKHC/10 model can be built-in or built-on to the worktop and has a maximum capacity of 10 bottles. The VKHC/12 model has been developed to be built into the work top and has a capacity of 12 bottles.

Cooler temperature: +4° C / +8° C. Adjustable temperature range from 0° C to +10° C.

Freezer temperature: -8° C / -12° C. Adjustable temperature range from 0° C to -15° C.
